

Infineon Technologies AG  
Am Campeon 1-15  
85579 Neubiberg, Germany

## Declaration of Non-Use of ODS in the manufacture of Infineon products

Infineon Technologies hereby declares that Class I and Class II Ozone Depleting Substances (ODS)<sup>1</sup> as well as those listed in the EC Regulation 2037/2000 as amended by (EC) 1804/2003 on ozone depleting substances (ODS)<sup>2</sup> are neither intentionally contained in our products nor intentionally used in the manufacture of these products.

More information on specific product material contents is obtainable from Infineon in the form of material content data sheets (MCDS) (*"Umbrella Specifications"*). For these, please contact your local sales agent or customer service centre at <http://www.infineon.com>.

### Legal Disclaimer

The information provided in this document is provided "as is" without any warranties of any kind including but not limited to warranties or merchantability, fitness for a particular purpose, or non-infringement of intellectual property. Infineon does not guarantee the completeness or accuracy of the information provided. Infineon may make changes, improvements and/or modifications to the information provided, or products and services referred to within, at any time without notice. The material in this document may be out of date and Infineon makes no commitment to update it. Information provided in this document may refer to products or services that are not available in your country. Please consult your local Infineon Technologies contact for information regarding these products and services.

IN NO EVENT shall Infineon Technologies, its employees, its officers, its affiliates, its suppliers or other third parties be liable to you for any damages, including without limitation special, indirect, or consequential damages (including, without limitation, damages for loss of profits, business interruption, or loss of information) arising out of the use, inability to use, or the results of use of this information, any web sites referred to in this document, or the information, qualifications, opinions or recommendations contained at herein whether based on warranty, contract, quasi-contract, or (including negligence) or any other legal theory and whether or not advised of the possibility of such damages.

Nothing in this legal disclaimer shall limit or exclude Infineon's liability under mandatory statutory liability laws, for injuries to life, body or health, fraudulent concealment of a defect in the information by Infineon or in cases of Infineon's intentional misconduct or gross negligence.
